

# THE CARMEL SIGNAL

## CARMEL CLAY HISTORICAL SOCIETY

First Quarter 2024

Established 1975

Our 49th Year

### MUSEUM UPDATE

We benefited greatly from the mild winter and are happy to report that the exterior sheathing and windows were installed earlier this month. The Carmel Clay History Museum is now enclosed. This project has been years in the making, and now we are only months away from a grand opening! We are still working to fund the interior buildout. If you would like to donate to our capital campaign or have an interest in naming an area, please let us know.

### MEET OUR NEW BOARD MEMBERS

At our Annual Meeting in October, we welcomed Mickey Brooks and Bill White to our board. We are thrilled to have them on the team!

#### Mickey Brooks

Mickey Brooks has lived in Carmel since 1957. He attended Carmel schools from elementary through high school. He is a US Army Vietnam Era Veteran and served at Fort Knox, Kentucky, Redstone Arsenal/Marshall Space Flight

Center Huntsville, Alabama, and in Nuremberg, Germany. He held sales executive positions for technology companies, serving Fortune 500 accounts for over 18 years. Prior to his sales career, he enjoyed over 20 years in the technology industry. He joined his wife Julia in starting JLB Mortgage Group in 2002, which they owned through 2015. He assisted the Broad Ripple Sertoma Club in starting a Carmel chapter, where he served as chairman, president and technology director. Today he serves as a mentor for the Carmel High School TechHounds robotics team.

#### Bill White

Bill White is an architect and educator. He has recently retired after 17 years of teaching construction management within the Purdue School of Engineering and Technology on the IUPUI campus. A lifelong resident of Indiana, he holds a bachelor of arts degree from Indiana University, a bachelor of architecture degree from Ball State University and a master's degree from Purdue University – Indianapolis. He enjoys music, photography and traveling the world with his wife of 41 years, Susan.

## **SPEAKER SERIES**

We kicked off our Speaker Series on February 23 with "Roberts Settlement: Our Roots, Our Legacy," a presentation by Bryan Glover. Roberts Settlement was an African-American pioneer settlement established in 1835 in Jackson Township, Hamilton County. The first members of this community were free people who left North Carolina to ensure they remained free. Bryan gave us a fascinating look at the lives of those who built the community and their descendants.

On March 8, Jim Russell shared stories from his sixteen-year career as a sportswriter. Jim wrote and edited three Indiana publications, including The Indianapolis News. He later served as sports information director for the Indiana High School Athletic Association. He covered all the major sports stories in Indiana, and we were grateful he shared them with us!

Our Speaker Series events are hosted by the Carmel Clay Public Library and are free! Visit our website for upcoming events.

# Tidbits from our Facebook Page

Did you know that there is a connection between pioneer-era Clay Township and Roberts Settlement in Jackson Township?

Edmond and Caroline Hurley were the first Black landowners in Clay Township. Both were born into slavery in Kentucky but obtained their freedom and married in 1828. In 1840, they moved to Clay Township.

Edmond worked as a farm laborer and used his earnings to purchase land. In 1849, he bought 10 acres where the Estancia subdivision is today. In 1855, he purchased an adjoining 30 acres and sold the entire 40-acre lot for a large profit. The Hurleys moved to Roberts Settlement, where they established the Second Cicero Baptist Church. The Hurley cemetery is still there. You can find it near the southeast corner of the intersection of E. 276th Street and E. 33rd Street in Jackson Township.

# CARMEL CLAY HISTORICAL SOCIETY: BY THE NUMBERS

# 2,095

people attended our programs and events

# 192

people attended our annual Great Squirrel Stampede Fun Run

# 760

Carmel students participated in historic walking tours

# 108

people attended our Garden Tour

# 219

Volunteers donated their time and energy

## MESSAGE FROM OUR EXECUTIVE DIRECTOR

Every day I ask my walking group to walk past the new museum so I can take a picture of the building progress, and every day my heart is thrilled. We recently had our first hard hat site visit! Our partners—Studio M architects, Cardosi Kiper designers, Hamilton Exhibits and BW construction managers—are helping us create a facility our community will enjoy for decades.

Of course, funding is a necessity. Thanks to generous donors, we are more than halfway to our \$4M goal for interior furniture, fixtures, and AV equipment that will provide visitors a unique museum experience. CCHS staff is dedicated to share the authentic Carmel story through exhibits, presentations and other programming, but we need your help. Donations are tax-exempt and most appreciated. We are so close. Let us work together to finish this campaign strong.

### **Thank you for considering a contribution to support this cultural gem on the Monon!**

Historically, Carmel people got things done with teamwork. The Monon Railroad was routed through Carmel because our residents welcomed this improvement for growth and helped to fund its construction. The Carnegie Library funding began with women working together through bake sales, quilting bees and stubborn determination to open that important educational facility. In the 1960s, a group of moms organized a tent sale to raise the initial funds for a community swimming pool along Guilford Road. Teamwork truly does make dreams work. Thanks for joining our team to get this job done!

What is still needed?

- Interior tables and chairs for events and presentations

- Conference table and chairs for the community boardroom
- Exterior tables and chairs for the Depot deck
- Exterior tables and chairs for the roof top area
- Benches for each museum floor

These items can be personalized with a donor’s name. Contact CCHS at [dgangstad@carmelclayhistory.org](mailto:dgangstad@carmelclayhistory.org) for more information.

—Debbie Gangstad

## GRANTS

CCHS is grateful to the generous organizations that have supported us this year. The City of Carmel Arts Grants from 2022 and 2023 provided \$6,792 for eight vintage-style illustrations of Carmel landmarks that will appear on the bulkhead in the lobby of the new museum. Hamilton County Tourism’s grant of \$500 funded our Polar Express event. The Indiana Historical Society provided a \$25,000 Heritage Support Mini Grant that was used to fund moving expenses and archival storage supplies. We are grateful to Jim and Ginny Steckley for contributing a grant match of \$3,750 for moving expenses. The Indiana Arts Commission provided a Regional Arts Partner Grant of \$3,899 that funded a collaborative children’s mural with artist Jill Kniptash. We were also fortunate to receive \$12,000 from Hamilton County Commissioners, the Clay Township Trustee and Board and the City of Carmel for last year’s bicentennial celebration. These grants funded a trolley for the CarmelFest parade, lunch for Clay Twp. pioneer descendants, the production of Farms of Clay Township maps, a historical compilation of Carmel stories, and Carmel Clay Bicentennial Celebration and History Fair.
